

Suffolk's Flexible Eligibility Statement of Intent

- 1) Babergh District Council
Forest Heath District Council
Ipswich Borough Council
Mid-Suffolk District Council
St. Edmundsbury Borough Council
Suffolk Coastal District Council
Suffolk County Council
Waveney District Council.
- 2) Date of publication 31/03/2017
- 3) Publication on website: www.greensuffolk.org/about/suffolk-climate-change-partnership/

1) Introduction

The Suffolk Climate Change Partnership, comprising all Suffolk Local Authorities, has a core focus on tackling domestic energy efficiency and fuel poverty in Suffolk. It is a crucial element in its ambition to be the county with the greatest reduction in carbon emissions.

Suffolk's Local Authorities wish to utilise Flexible Eligibility to its fullest to help achieve the Partnership's aims alongside improving the health and wellbeing of their residents.

It should be noted that the final decision on whether any individual household can benefit from energy saving improvements under Affordable Warmth will be made by the obligated suppliers or their agents/contractors. Inclusion in a Declaration issued by the local authority to a supplier will not guarantee installation of measures, as the final decision will depend on i) survey carried out by suppliers agents/contractors and installation costs calculated, ii) the energy savings that can be achieved for a property, and iii) whether suppliers have achieved their targets or require further measures to meet their Energy Company Obligation (ECO) targets.

2) Identifying eligible households

All of Suffolk's Local Authorities will use the following eligibility criteria to identify households that may benefit from the installation of measures under 'Flexible Eligibility'.

Criteria for identifying fuel poverty

The resident

- *is in receipt of any means tested benefit*
and

- *is living in a property with an EPC rating of E, F or G or in a property with a housing archetype likely to be E, F or G rated.*

Criteria for identifying low income and vulnerability to cold (LIVC)

The resident

- is in receipt of the Disability Living Allowance (DLA) or Attendance Allowance
or
 - is on the Energy Companies' Priority Services register (those at most risk from the effects of a power cut)
or
 - has a health condition that can be exacerbated by living in cold including¹:
 - people with cardiovascular conditions*
 - people with respiratory conditions (in particular, chronic obstructive pulmonary disease and childhood asthma)*
 - people with mental health conditions*
 - people with disabilities*
 - people who are terminally ill*
 - people with suppressed immune systems (e.g. from cancer treatment or HIV)*
- or**
- is aged 65 and over, or has children under the age of 5, or is pregnant.
- and**
- is living in a property with an EPC rating of E, F, or G or in a property with a housing archetype likely to be E, F or G rated.

Criteria for Self-Declaration

- *Resident is living in a property with an EPC rating of E, F or G or in a property with a housing archetype likely to be E, F or G rated*
and
- falls within the thresholds in Table 1 below which refers to income after housing costs (essentially a household's disposable income after they have paid for their rent or mortgage).

¹Draft ECO: Help to Heat Flexible Eligibility: BEIS' Guidance for Local Authorities on Targeting Households living in fuel poverty, living on a low income and vulnerable to the effects of living in a cold home, and "in-fill".

Table 1 – Income thresholds broadly consistent with those used under the Low Income High Costs indicator (2014)²

Household composition	Annual household income	Monthly household income Equivalent
1 adult	£8,300	£690
and 1 child	£11,000	£920
and 2 children	£13,500	£1,130
and three children	£16,200	£1,350
and four or more children	£18,800	£1,570
2 adults	£13,700	£1,140
and 1 child	£16,300	£1,360
and 2 children	£18,900	£1,580
and three children	£21,600	£1,800

3) Acting on behalf of another local authority

In some cases, one of the above named local authorities might issue declarations on behalf of another of the above named local authorities. In this case, the name of the relevant authority which is being acted on behalf of will be included on the declaration. The Suffolk Council's are signatories to a consortium agreement which allows for one party to act for another in relation to energy efficiency issues.

4) Governance

Officers responsible for signing "Local authority declarations"

Babergh District Council and Mid Suffolk District Council

Corporate Manager - Property Services - Supported Living and Senior
Environmental Health Officer (Private Sector Housing) - Supported Living.

Corks Lane, Hadleigh, Suffolk, IP7 6SJ and 131 High Street, Needham Market,
Suffolk, IP6 8DL.

Ipswich Borough Council

Mark Hunter, Operations Manager, Ipswich Borough Council, Grafton House,
15-17 Russell Road, Ipswich IP1 2DE.

St. Edmundsbury Borough Council and Forest Heath District Council

Peter Gudde, Acting Assistant Director for Regulatory Services, Environmental
Health, West Suffolk House, Western Way, Bury St Edmunds, Suffolk, IP33 3YU.

² These thresholds have been calculated from the 2014 fuel poverty dataset for England – the latest available at present.

Suffolk Coastal District Council and Waveney District Council

Teresa Howarth, Principal Environmental Health Officer, Private Sector Housing, East Suffolk House, Station Road, Melton, Woodbridge, IP12 1RT.

Suffolk County Council

Matt Hullis, Head of Environment Strategy, Resource Management, Suffolk County Council, Endeavour House, Russell Road, Ipswich, IP1 2BX.

Governance structures

The officers responsible for signing the declarations will ensure that any property declared will be eligible in line with the criteria listed above. Any queries regarding the eligibility of a property will be resolved by the Suffolk Climate Change Partnership.

5) Referrals

Referrals may come from Suffolk's Warm homes Healthy People scheme which has an established referral mechanism for fuel poor households across Suffolk. Referrals come in from the health and social care sectors, voluntary sector and other agencies.

6) Evidence, monitoring and reporting

All evidence, monitoring and reporting will be undertaken through contract management procedures which will be put in place with installers. This will include:

- a) Data collection and the mechanisms for monitoring the effective targeting of relevant households;
- b) Monitoring which households of those targeted have subsequently received a measure;
- c) The method and frequency with which information is reported to those with governance and decision-making responsibilities;
- d) The auditing of data collection and the monitoring mechanism; and
- e) The use of controls to deter, prevent and detect fraud.

7) Signatures

Babergh District Council and Mid Suffolk District Council

Lindsay Barker – Deputy Chief Executive Officer.

Ipswich Borough Council

Russell Williams, Chief Executive Officer.

St. Edmundsbury Borough Council and Forest Heath District Council

Ian Gallin, Chief Executive Officer.

Suffolk County Council

Deborah Cadman, Chief Executive Officer.

Suffolk Coastal District Council and Waveney District Council

Andrew Jarvis, Strategic Director
