| <b>Company name</b>                            | Gotelee Solicitors  |
| <b>Sector</b>                                  | Legal Services  |
| <b>Short description</b>                       | We are an established law firm providing a wide range of commercial and individual legal services including company law, employment, wills and probate, family, personal injury, litigation and criminal law.   |
| <b>Environmental highlights</b>                | <p>We are an established law firm providing a wide range of commercial and individual legal services including company law, employment, wills and probate, family, personal injury, litigation and criminal law.</p> <p>First business in Suffolk to achieve the Gold Carbon Charter Mark; Finalist in Greenest County Award 2010; Law Net Award for Corporate Social Responsibility 2009</p> |
| <b>A summary of environmental achievements</b> | We have achieved significant cuts in energy use and carbon emissions through simple effective measures and by harnessing the support of our staff. Since we began tackling our energy use around three years ago, our gas use has dropped by 31% and electricity by 24%. Over 80% of our waste is now recycled.   |
