Short description

Jennifer and David offer superior bed-and-breakfast accommodation and are the proud recipients of the VisitBritain Four Star Silver Award. We have also received the coveted enjoy England Breakfast Award. Our aim is to give you a comfortable and memorable stay and if you require an evening meal, this can usually be arranged. For your special event in the area, we also provide catering services to suit a wide range of budgets.

Environmental highlights

Bronze level award from the Suffolk Carbon Charter for our ongoing efforts to reduce our carbon emissions at Bridge House.

Personal testimony

We have achieved a greater understanding and are working always to achieve greater progress.

Key lessons

Energy saving, recycling and advising guests.

Where did I get my advice

Suffolk Carbon Charter and national and local networks.
