Check the load before lifting and
be aware of sharp edges.
Wear gloves!

You will put yourself at risk if you climb
on the barriers to access the containers.
Keep your feet firmly on the ground!

Protect your feet from bulky and sharp
objects. Put on sturdy footwear!

Report any potential hazards, near
misses or accidents to site operatives.
Make us aware!

**DON'T GAMBLE
WITH YOUR
HEALTH &
SAFETY**

**Don't be hasty,
please drive safely!**

**When you arrive,
keep them inside!**

**When you unpack,
look after your back!**

**When loading a skip,
try not to trip!**

Read me, it's for your own safety.

Keep your speed to a minimum when
driving on site and be aware of other vehicle
users and pedestrians. Drive with care!

There are many hazards on site and
children and pets are less visible to other
site users. Keep them in your vehicle!

Please don't overfill containers that may
need to be lifted. Remember to ask for
assistance, we're here to help!

Avoid short-cuts when disposing of your
waste. Be aware of steps and other
obstacles!
