

Reduce and Reuse

You might be able to donate hardcore and rubble for reuse online via:

www.ilovefreegle.org
or www.freecycle.org

Retain excess soil for planting and potting, or ask your neighbours, friends or relatives if they have any use for it. Alternative options for dealing with this waste include hiring a skip or tonne bag. Please look online or refer to a phone directory for more information.

Hardcore, Rubble Soil & Plasterboard

Charges now apply

The limit on the number of bags of hardcore, rubble, soil and plasterboard* accepted at Suffolk's Household Waste Recycling Centres has been removed. Waste that has arisen from improvements, repairs and alterations to your home and garden is not classed as household waste (according to the Controlled Waste Regulations) and therefore a small charge is being made. Please do not put this waste in your dustbin.

Before unloading your vehicle, please report to a member of site staff who will determine the amount you need to pay depending on the amount of material you have. See overleaf for a full list of prices.
