

Greener Homes interest free loans

The Suffolk Climate Change Partnership (SCCP) is working with Eastern Savings and Loans (ESLCU) who are offering interest free loans to help make your home “greener”. Loans are available for energy saving measures such as insulation, boiler upgrades and renewable energy systems e.g. solar panels, heat pumps and biomass heating. Loans are only available for the installation of approved materials and technologies by accredited installers.

**For more information contact
Eastern Savings and Loans on 01473 690690**

Loan Terms and Conditions

Interest free loans are only available to residents of Suffolk.

There are a limited number of interest free loans available.

As a responsible lender, ESLCU might refuse loan applications.

A payment holiday of up to 3 months is available on request so that you can start to benefit from reduced outgoings before starting to repay your loan.

The loan can only be used for approved items to improve the energy efficiency of your home and cheques may be paid direct to the supplier you choose.

ESLCU reserves the right to apply charges in the event of default, which will reflect the cost of recovery.

Contact SCCP on 0800 02 88 938 for more information on energy saving measures, technologies and installers.

Short term Loans for smaller improvements e.g. insulation

Borrow	Choose your repayment period	Amount to pay per week	APR	Interest Charged
