

# Eastern New Energy

## path to zero carbon

### Path to zero carbon Knowledge exchange programme

A series of six online workshops of two hours each, including presentations, discussions and networking to support SMEs, charities and enterprises in their path to zero carbon. This hands-on event will provide you with the opportunity to understand your organisation's carbon emissions and learn how to monitor them, to write a zero carbon policy, to develop a strategic approach, to draft an action plan, get buy-in and find funding.

Support is limited, register your interest now!

The events will take place over 6 sessions between the 16 and 25 March 2022 and will include the following workshops:

1. Introduction and carbon literacy
2. Monitoring & carbon accounting
3. Action plan
4. Objectives and commitment
5. Promoting change & funding
6. A one to one session with one of our experts (building energy efficiency, electric vehicles, etc.)
